

**NEW REPORT!**

# Do Actions Speak Louder than Words?

## Research on the Relationship Between Financial Performance and Reputation

By Ryan Calsbeek, Ph.D. MAHA Global and Dartmouth College

# We collected data on both public perception and actual corporate behavior across seven categories of corporate reputation including:

1

environmental impact

2

community impact

3

governance

4

how organizations treat their employees

5

commitment to diversity

6

customer satisfaction

7

financial performance
